Dear Mr. Sazal Kundu,

Thank you for your submission. We would like to inform you that your abstract has been successfully submitted to ICPRAM:

Title: Explainable Parkinson's Disease Detection Models Using LIME

Number: 5

Area: Theory and Methods

Uploaded on Date/Time: 2021-10-01 7:55:00 AM

Submission Type: Abstract

Co-Authors: Mahmudul Shakil, Zawad Alam, Arnob Dey, Shihab Sharar and Annajiat Alim Rasel

To access the ICPRAM conference management system, please go to the following address: <https://www.insticc.org/Primoris/> and enter your username and password.

We recommend that you use this possibility now, to check that all submitted information is correct. By using your author's area in the conference management system you have access to several options including re-submitting the abstract or updating the list of co-authors. All co-authors will have access to all relevant information concerning the abstract.

Please note that all abstracts submitted to ICPRAM will be screened by a panel of experts, including the event chairs.

Best regards,
Marina Carvalho
ICPRAM Secretariat
